## EZ 400

## COMPACT EZ400 INDICATOR

- A basic "WEIGH-UP/WEIGH DOWN" with a "TARE" feature
- An ideal indicator for compact areas such as truck and tractor cabs
- Great for grain carts, feed mixers, and bin scales
- The "TARE" key allows temporary zeroing of the scale
- The "NET/GROSS" feature allows you to change between the gross or net weight

- Front panel programmability - without a simulator or sample weights
- Multi-language "HELP" messages provide a built-in operator manual in over nine languages
- 1" custom, 14-segment, 6 digit, backlit LCD display allows for legible scrolling "HELP" messages
- High impact enclosure to protect against dust and moisture
- Single load cell connector (J902)
- Versatile mounting options
- Low battery warning
- Available with serial port J905
