

# PowerBox™ 240MP

Welder • Generator • Compressor unit

Enhance your vehicle's productivity and efficiency through the addition of a **PowerBox™240MP** welder - generator - compressor unit.

The **PowerBox™240MP** unit is extremely compact and engineered to easily bolt into most pickup trucks, service bodies and utility vehicles. Sized for light-medium duty applications, all **PowerBox™240MP** units are designed with versatility in mind to meet the on-demand power requirements for:

- General Construction
- Landscaping, Turf Care and Grounds Keeping
- Ranch and Farm Repair and Maintenance
- Park and Campus Maintenance
- Building and Plant Maintenance
- And many additional applications

The **PowerBox™240MP** unit is completely self-driven and weather resistant and delivers:

- 175 Amps of welding
- 13 CFM of air @ 100 PSI
- 5,500 watts of electrical power
- Optional 800 amp 12/24 volt Battery Jumper/Booster

## Applications:

Drop-In Service Bodies

Drop-In Pickup Trucks

Utility Vehicles

# PowerBox™ 240MP Specifications

## Typical Applications:

The **PowerBox™240MP** is ideal for the general contractor, farmer/rancher, or plant maintenance technician that requires the ability to:

- Run power tools (i.e., saws, drills, grinders, lights, sanders, etc.)
- Run small air tools (i.e., impact wrenches up to 1/2", ratchets, grinders, nailers, etc.)
- Perform light welding repair and fabrication
- Jump start vehicles/equipment (w/optional Booster)

## Engine:

- 12 hp Kohler® Command CS12 gasoline, air-cooled

## Output Range

- DC-CC = 50 - 175 Amps

## Maximum Available Power:

- (60 Hz) 5.5 KVA alternator
- Maximum Output 5,500 watts
- 110v AC - Single Phase 5,500 watts (20 Amp)
- 230v AC - Single Phase 5,500 watts (30 Amp)

## Electrical Outlets:

- 230v Single Phase (20 Amp)
- Two 110v (15 Amp) GFCI duplex receptacles

## Air Compressor:

- 2 pumps 13 CFM @ 100 PSI
- Maximum 150 PSI available
- 5 gallon air storage tank
- One (1) 1/4" regulated outlet

## Dimensions:

- Height: 30"
- Width: 28"
- Length: 44"

## Weight:

- 580 lbs.
